

A photograph of a sailboat's deck at sunset. The sun is low on the horizon, casting a warm, golden glow over the scene. The deck is made of polished wood and reflects the light. The rigging and masts of the sailboat are visible in the foreground and background, silhouetted against the bright sky. The water is calm and reflects the sunset colors.

SAGA IBIZA

GENERAL DESCRIPTION

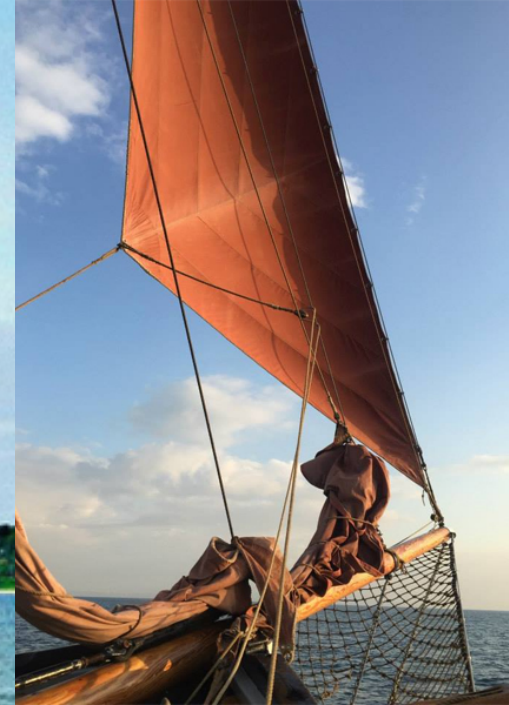

Original Schooner 1935

·SAGA·

SAGA IBIZA is an original wooden schooner, a legendary sailboat which makes all the difference and offers an unforgettable sailing experience. It takes you away from the crowd to make you appreciate the amazing crystalline waters of the Balearic Islands and enjoy their breathtaking sea escapes.
